The Alchemyst by Michael Scott is an action adventure/fantasy book. The book focuses on a man named Nicholas Flamel. Nicholas Flamel was born in Paris on September 28, 1330. Nicholas Flamel is a pharmacist who discovered the secret to eternal life. 700 years later, the news is out that Flamel is still alive!

Sophie and Josh Newman are the only ones with the power to save the world and discover the true secrets of Nicholas Flamel.

This book is one of the best adventure books I have ever read. I really love the way Sophie and Josh get pulled into the adventure and discover that they are actually smarter than they really think!
