

How to Write an Autobiography for Kids – Example

My name is Maria Angelina Bacarella. I was born on March 7, 1995, in Tawas City, Michigan. My parents are James and Michelle Bacarella, and I have three younger siblings, Sophia, Alex, and Samuel. I attended Holy Family Catholic School in East Tawas from kindergarten until sixth grade. While there I participated in band, choir, Girl Scouts, Council of Catholic Girls, volleyball, softball, and basketball. I was on honor roll and received an academic achievement award. Attending a catholic school helped me to grow academically, in my faith, and as a person, giving me high moral standards. In seventh and eighth grade I attended Tawas Junior High. I was involved in volleyball, basketball, softball, and Club PRIDE. I was on honor roll every semester, and received the presidential academic award.

I currently attend Tawas High School. I am involved in Iosco Pride, Spanish club, liturgical dance, youth group, Student Senate, volleyball, soccer, and National Honor Society. I currently have a 3.88 cumulative g.p.a. and am 8th in my class of 117. Though my school, I go to coop every day for two hours in the 81st District court. While there I have learned many school that pertain to a future career in law. I file papers, type bonds, and observe court. This has given me first-hand experience identifying legal documents and understanding how to proceed in court.

I have am very motivated to create the best possible future for myself, and have worked very hard to set that up. I have been on the honor roll every marking period thus far in my high school career. I received my academic and athletics varsity letters, an honors pass, the hustle award for volleyball, and an academic achievement award. Some of my strengths include being a hard worker, dedicated, self-motivated, and organized. My weaknesses are that sometimes I am overly ambitious and take on too much at once, and that I tend to expect too much of others. I have volunteered at local nursing homes, and for local churches. My favorite volunteer experience has been helping out with vacation bible school through my church. Through this I am able to help kids grow in their faith. Through Iosco PRIDE I am able to send a positive message in a fun way. I love these because they allow me to be a positive role model for kids. I currently work at Chick'n Dots Tiny Tots Boutique. My favorite thing about my job is that I get to work with children. I also babysit on the weekends and in the summer.

Next year, I plan to attend Michigan State University. I hope to be involved in their college of social sciences, James Madison College to gain my bachelor's degree in International relations. During college I hope to study abroad to assist in my learning other languages. After college I would like to attend Michigan State University College of law. I hope to become an international lawyer someday, working for a company like USAID. With this line of work I would be able to travel and work on projects to help people in other countries.
